---

**NOTICE**

The Department of Utilities construction projects update for the week of **April 17th** are noted below.

- **Water Main Improvements –Eustis Avenue-** The Contractor will be working at the intersection of Memorial Blvd and Eustis Ave installing the new water main. Additional work water main work will be performed on Wednesday at the intersection of Eustis Ave and Ellery Rd. The residences that will have an interruption in water service due to the work will be individually notified. The Contractor will also continue installing the temporary water main in Eustis Ave.
- **Sanitary Sewer Improvements- Bedlow Ave, Curry Ave, and Smith Ave. -** The Contractor will continue construction of the required water main improvements in Bedlow Ave. between Hillside Ave and Malbone Rd. The water main improvements are required to be completed prior to the start of the sanitary sewer improvements. The residences that will have an interruption in water service will be individually notified.

Work will continue on the sanitary sewer improvements in Smith Ave.

- **Ruggles Avenue Pump Station Upgrades-** The Contractor will begin work on the improvements to the Ruggles Ave sewer pumping station and associated force main. The Ruggles Ave Pump Station is located between Hazard Rd and Old Fort Rd. The Contractor will begin installation of the new force main in Ruggles Ave from the pump station towards Old Fort Rd and then north in Old Fort Rd
