---

**NOTICE**

The Department of Utilities construction projects update for the week of **July 3rd** are noted below.

- **Water Main Improvements –Eustis Avenue & Ellery Road.** The water main in Eustis Avenue from Memorial Blvd to Catherine St is completed and in service.

The Contractor has completed the required testing of the water main in Eustis Ave between Catherine St and Ellery Rd. The Contractor will tie-in the new main to the distribution system at Catherine St. and Ellery Rd and then begin transferring the individual water services to the new main.

- **Sanitary Sewer Improvements- Bedlow Ave, Curry Ave, and Smith Ave.** - The Contractor will continue construction of the sanitary sewer improvements in Bedlow Avenue between Yale Street and Broadway.
- **Almy Pond Watershed TMDL Management Plan** – The construction of the improvements to reduce phosphorous loadings to Almy Pond will continue at the intersection of Coggeshall Avenue and Kerins Terrace.
- **Catch Basin Separation Project -2017.** The contractor will begin installing a new storm drain in Conrad Court from Roseneath Ave to the dead end.
- **Ruggles Avenue Deep Sewer Improvements-** The contractor will continue the sewer repairs in the work area located between Bellevue Avenue and Wetmore Avenue.
